

MAXITON INTEL HPU

Intelligent Hydraulic Power Pack Unit

KEY FEATURES

Motor: 5.5kW

Pressure: 150 bar

Voltage: 415V, 3 Phase

Current: 32 Amp

Current: 32 Amp

Oil Tank Capacity

Oil Tank Control & HMI Display

Control System

Button Control & HMI Display

Intelligent Monitoring:

- Oil Level Sensor
- Oil Temperature Sensor

BENEFITS & APPLICATIONS

Experience enhanced control, efficiency, and reliability with the Maxiton Intel HPU. Designed as a portable power source, it provides power to various hydraulic equipment. Real-time alerts initiate and ensure optimal performance for hydraulic and other hydraulic equipment.

POWERING SMARTER HYDRAULICS
